Dear Sara Bailey,

Enclose please find the signed grant agreement forms.

Thank you so much for supporting Oregon Cartoon Institute's UNDERGROUND USA symposium, which will take place on Oct. 15, 2016 in the White Stag Building.

With advice from Bill Failing and Julie Vigeland, Oregon Cartoon Institute is beginning to plan a second stage of growth which will include adding a professional administrator. I will tell you more about it as it evolves.

I hope you are enjoying a wonderful summer!

Sincerely,

Anne Richardson
Director, Oregon Cartoon Institute
